HAMLIN, JONES COUNTY, TEXAS FRIDAY, JANUARY 24, 1941

NUMBER 13

The "Runningest" Candidate Takes Oath As Governor of Texas The Second Time

This week the people of Texas had the rare privilege of hearing over the radio, the voices of two men in their inaugurations. President Roosevelt for the third term, and Governor W. Lee O'Daniel for Governor of Texas for the second term. The two men on succeeding days. Patriotism has run high. Democratic ideals have been re-stated and expanded. There is no use in ignorance in any part of the American land, in this age. The most important thing needed in this period is sound, quiet thinking. And to think, one must utilize a lot of history, experience, and be able to assemble facts and causes and results. The chief essential in a Democracy is good leadership, and generally good leadership gets its cue from the great mass of public sentiment. This is an intelligent age in America, as never before and generally sentiment comes from pretty good thinking and weighing of facts.

Three Hamlin Boys In The Twenty-Five Selectees For Army

Tuesday morning, Anson was the scene of a farewell and good luck to 25 Jones County men, whose numbers were drawn for military training. Almost every community in the county had one or more representatives in that number of A-1 first class young men.

From Hamlin were drawn J. C. Turner, Jr., Vaughan Holt and Jas. Magee. These young men have everything in their makeup that goes to make real men. Good educations, manly bearing, high ideals and excellent physiques.

All selections are first taken to Dallas for medical examination, and until that test is finished, no one knows whether the men will be given a year's training or not. Just where the Jones County men will be quartered is not known either, perhaps they will all be assigned to the same division or may be in different positions. Just how much one's own pick of service is recognized, is not fully known. In any case, Hamlin people are back of our men 1000 per cent and we all look for them back within the one year, to take their places in civil affairs, honored and esteemed. Later: A telegram from J. C. Turner, Jr., to his parents on Wednesday, stated he was sworn in and was leaving for Brownwood.

CHURCH OF CHRIST

"But now abideth faith, hope, love, these three; and the greatest of these is love." I Cor. 13:13. A. S. V.

"Keep love in your life, my friend, If you would have perfect joy; Keep love, never let it depart— For who would his life destroy?"

For life's no longer than love, my friend; When love is no more, 'tis the journey's end, And regret and Fear shall your way attend— Keep love in your life, my friend."

Do you love the Lord? Test your self by the following verses: Jn. 14:23 "If a man love me, he will keep my words." I Jn. 5:3 "For this is the love of God, that we keep his commandments."

LOOSE-LEAF Notebook covers and filler paper for sale at HERALD.

Mr. and Mrs. Arthur Burns Off to Calif.

Sunday, Mr. and Mrs. Arthur Burns left for Shafter, California. They were not sure just what point they would settle in when they left Hamlin.

Mr. and Mrs. Burns' son, Farrow is finishing his enlistment in the Navy in March, on the U. S. S. Maryland. Their daughter, Miss Beulah Lou, is a student in the Alpine Teachers College.

This is one of Hamlin's fine families, having lived in Hamlin and Anson most of their married life. Mr. Burns is a barber by trade, and was with the Imperial Shop in Hamlin.

Mr. and Mrs. Burns were both very active in Sunday School and church work in Hamlin.

NEINDA NEWS NOTES

The Neinda P-T. A. met last Thursday night, January 16. The house was called to order by the president, C. E. Gregory. Several songs were sung by the group. Then the new motion picture projector, which has been purchased for the rural schools of Jones county, was demonstrated. Four interesting reels were shown. They were "The Children of Holland," "Thrushes and Relatives," and two reels of "Ohio State Park."

After the pictures were shown, pop corn and peanuts were served and several interesting games were played.

The next regular meeting of the Neinda P-T. A. is for Thursday night, January 30, at which time a pie supper will be held. A great time is planned for all. Everybody come and bring your loose change. The money raised from the supper will be used to buy new song books for the Neinda singing class.

HONOR ROLL ANNOUNCED

The honor roll for the fourth month of the Neinda school is announced by Principal J. A. Morgan to be as follows:

First grade—Joy Maynard, Dolores Tindal and Freida Tollison. Second grade—Don Gregory.

Third grade—Wilma Woods, Melba Gae Turner and Barbara Nell Rodgers.

Fifth grade—Gladys Gardner. Sixth grade—Joanne Jennings. Seventh grade—Annie Lee Turner.

FOR SALE OR TRADE

One good Windcharger and battery. Some good second hand radios electric and battery.

C. C. RENFRO (13-P)

Pipers' Basketball Team Is Host To Merkel Mon. Night

The classiest ball club that has been presented to the fans of Hamlin will appear Monday night opposing our Green and White quintet. The Merkel Badgers, coached by a former Hamlin High gridiron and basketball star, will make its first appearance in Hamlin under Carol, (Deevine) Benson. Benson has had a good football team this year and now is producing one of the classiest ballhawking basketball clubs in wind blown West Texas. Carol has taught his boys the strategy that he learned in Hardin-Simmons. With precise timing on their screen plays, and accurate one-handed "bank" shots, the Badgers have made themselves potent in West Texas basketball circles. Last week in Merkel, our Pipers won in an overtime period, after being ten points behind at the half-time.

Come out and see one of the best basketball games that you will have the privilege to see this year. Show the Pipers that you are backing them 100 per cent with your attendance at the game. Game time is at 7:30. Admission 10 and 20c.

P. O. Williams called at the Herald office this week and had the Herald sent to his wife in Vallejo, Calif., where Mrs. Williams has been for some months operating an apartment house. Mr. Williams, who remained here to look after business, will join her about the 1st of March.

220 Plates Were Served At Annual Hamlin Chamber-Commerce Banquet

BASKETBALL GAME

Hamlin Pied Pipers will meet the Merkel Badgers in a crucial game here Monday night, January 27th. They are coached by a former Pied Piper, Carol Benson.

Admission 10c and 20c.

"Gone With The Wind" Famous Picture Coming Here On Jan. 29-30-31

Besides the information appearing in the regular Ferguson Theatre weekly program, of this issue, we call your attention to the great picture, "Gone With The Wind," which is being featured by the Ferguson Theatre in Hamlin on Wednesday, Thursday and Friday of next week.

"Gone With The Wind" is perhaps the nation's longest and most famous historical production on the screen. It is in technicolor and is to be shown in its entirety. That means one must be ready to see the first of it and go through to the end or else miss the continuity of events.

The Ferguson announces a matinee beginning at 2:00 P. M. on each of the days, and the evening program starts promptly at 7:30 P. M.

Many Hamlin people have seen this great picture in other towns, but will likely want to review it again here in Hamlin. The cost is not much now, as compared with the first showings. Remember the dates, and tell those who may not have seen this picture. Everybody should see it.

Singing Convention

Meets At Corinth

Everyone is invited to attend the Jones County North Side Singing Convention, which meets Sunday, January 26, at Corinth. The singing will be held in the Baptist church and will begin at 1:00 o'clock.

There will be with us such outstanding quartets as the Lubbock Vaughan Quartet, The Stephens-Carson Quartet, also of Lubbock, and the Vaughan Quartet heard over KXOX, Sweetwater, the Roby Quartet, the Abilene Quartet and the Haskell Quartet.

We urge you to be present.

Mary Caudle, Secretary

Clarence Bailey With The Bryant-Link Co.

Observers will notice the old familiar face of Clarence Bailey at the Bryant-Link Co. as salesman. Clarence is Hamlin's oldest dry goodsman, counting years of service in this town. Stores may come and stores may go, but Clarence goes on forever. He knows more people and can talk their language from sox to evening gowns.

TAX NOTICE

This is the last month to pay your 1940 school taxes before they become delinquent. All taxes not paid on February 1, 1941, will be charged a delinquent interest.

Perry Sparks Auto Supply Installs New Battery Re-Charger

Last week the Herald carried an explanatory advertisement for the Sparks Auto Supply telling about their New Machine for recharging automobile batteries.

The Herald went over this week to "take a peep." It is a streamlined, not very large affair, rather heavy, very attractive, and supported by two 8 inch rubber tired wheels so it can be wheeled out to an automobile, like a freight truck or a baby buggy.

From what we could get through our cranium, it works about this way: There is an electric connection and you plug the machine into it, and set a lot of gadgets, one of which is a time device, and flip on the current. At once it shows how the battery ranks, low, weak, or dead. If it is just down, from use, the machine starts building it up (mind you, it is still on your car) and when the time limit is over the thing flips itself off and pronto, there is your battery (while you waited). Drive out. Of course, there may be certain things that pulled the battery down, in which case it must be remedied. No detector can repair a broken plate.

Now here is another angle: Suppose you go out to your car and find it will not go . . . just growl. You first think of a battery man. You call somebody. If it should be the Sparks place, he would do just like he did in former days. He would exchange a rent battery with you, if you were in a hurry. He would apply his machine to your battery and unless it was broken down he would have it ready to go by the time you got your hat and gloves on and drove down town. Then you could get your battery, if it was "re-storable", and on your way. If you were not in a hurry to drive your car out of the home garage, pronto, and Sparks would be right up there with your re-stored battery.

This new fangled battery gadget is just another step in the use of electricity. It is a kind of doctor which tells your battery that it is just a little "weak from over-work" or that the life cells are eaten away. It is just a battery doctor, which spurs new life into the power box or pronounces the end. If you don't believe all we say in this "spiel" just step in and see a demonstration for yourself.

Hamlin to Celebrate President's Birthday

Thursday night, January 30, Hamlin people are invited to attend an Old Time Dance to be held at Pioneer Hall in Anson, in celebration of the President's birthday.

Half of the proceeds from the observance will be retained for local use in the county, and the other half will go into the national fund which will be used to fight infantile paralysis. By attending this ball you will be helping a worthy cause.

Mrs. Frank Waggoner is the Hamlin chairman for this celebration, and any information regarding it may be obtained by contacting her.

James Tate May left Thursday of last week for Washington, D. C., to spend several days sight-seeing and to attend the third inauguration of President Roosevelt. He will likely be back home by this coming Saturday.

It Pays to take the Herald

The annual banquet of the Hamlin Chamber of Commerce was held on Thursday night of last week, in the Methodist Church, with 220 guests, more than taxing the capacity of the basement rooms.

Ted Russell acted as toastmaster, and that meant the program was carried out with dispatch.

The Hardin-Simmons University Golden Girls Quartet and Miss Lucile Powers with her Marimba instrument furnished the music.

Guests registered from all neighboring towns and communities, including McCauley, Sylvester, Roby, Sweetwater, Rotan, Haskell, Stamford, Anson, Albany and Abilene.

The guests at the tables were greeted by hosts and hostesses, Attorney and Mrs. Bill Eyssen, Attorney and Mrs. Travis Dean, Attorney J. C. Turner, Jr., and Miss Bernice Gilmore, Mr. Forrest Greenway and Mrs. Garland Tumlin, Mr. and Mrs. Henry Albritton, and Mr. and Mrs. John Milburne.

The new directors for 1941 were announced, having been elected by ballots among the business men previously. They were Henry Albritton, J. B. Terrell, Roy Gilbreath and Bob Campbell. These with the hold-over directors will choose from their number a president for this year. The retiring president, Eddie Jay, made a report of the past year's work.

The speaker for the evening was Hon. Brady W. Gentry, chairman of the Texas Highway Commission. Mr. Gentry was fulfilling his engagement made a year previous, but at that time was prevented from coming to Hamlin by sickness.

Chairman Gentry made a strictly business talk on Texas highways and the problems to be met to finance all the work that ought to be done. He had for his audience a very appreciative people, residing in a section of Texas that lacks very much having the proper outlets by highway. Mr. Gentry could not come out and tell Hamlin people that he would do this or that, but he did express an interest in getting better outlets for this community.

From every point of view the banquet was highly enjoyed by all present.

METHODIST CHURCH

JAMES E. HARRELL, Pastor

Church School, 9:45 A. M.
Morning Worship, 10:50.
Young People, 6:15 P. M.
Intermediates, 6:15 P. M.
Evening Service, 7 o'clock.
Woman's Society of Christian Service, Monday afternoon, at 3:00.
Wednesday Night Prayer Service, 7 o'clock.
Choir Practice, Wednesday night at 7:45.
Board of Missions and Church Extension meets Wednesday night at 7:45.

The Pastor's sermon subject Sunday morning is to be: "The Brotherhood of Man." His Sunday night's subject will be: "The Flesh and the Spirit." Special music is to be arranged for these services. Sunday is Missionary Sunday. Why not be "Missionary minded" enough to attend the services on this Sabbath Day?

We are always glad to have visitors worship with us.

Mr. and Mrs. Roy Smith and children who have been living at Tenaha, Texas, the past six years, have returned to Hamlin to live. They formerly resided in Hamlin and Roy was then a plumber. He disposed of his property in Shelby County and therefore has returned to reside here. Mrs. Smith before her marriage, was Miss Lela Johnson, daughter of Mrs. A. P. Johnson.

Card of Thanks

We wish to thank every one who helped us in any way when our house burned, and especially do we thank the kind neighbors who took us into their homes, when we had no place to go, and also the Missionary ladies for the nice shower they gave us.

Report On Work For Crippled Children By B. E. McGlamery

The area under the supervision of Mr. McGlamery covers 43 counties in North Central Texas and has an estimated population of 900,000 persons. At present time the Crippled Children's Division is giving hospital and medical care to 650 children in homes in this area, that are not themselves able to provide this much needed service. Funds to pay for such hospital care and physicians' services are supplied by the State Department of Education, under State Supt. L. A. Woods, by both Federal and State appropriations.

During the year Mr. McGlamery has made 1,358 visits to the homes of crippled children in his field work and 20 children were brought by their parents or friends to the Eastland office for advice. Visits have been made to 56 children while they are patients in the various hospitals. In seeking information about crippled children and in acquainting people with the work of the Crippled Children's Division, visits have been made to 442 persons in official life, city, county, and state. In gathering case histories of children, calls were made on 189 physicians in the area.

One Crippled Children's Clinic was held at Stephenville at which 52 children were examined by the medical staff of the Crippled Children's Division and recommendations made to the parents for proper care of the children. During the year 11 addresses were made to schools and various civic organizations interested in the work being done for crippled children. 750 persons were present at these meetings.

185 applications for hospitalization were received for crippled children from the area during 1940 and 165 new cases were given hospital and physicians' care during the year. During the year each of the 650 children in the area, who are being hospitalized, have been to the

doctor's office for examination or to the hospital for additional treatment, one or more times during the year. There is one young man in one of the hospitals who celebrated a birthday on January 8, 1941. He is a victim of infantile paralysis and entered the hospital on January 8, 1940. He is making slow but sure progress toward a splendid recovery. At present time there are 55 cases on the waiting list in the area and some 700 or 800 throughout the State as a whole.

Of the 165 cases hospitalized during the year 1940, the following information concerning causes of disability will be of interest:

There are 45 cases resulting from bone diseases or bone infections of various types, with osteomyelitis as the prevailing cause. There are 31 cases of partial or complete paralysis, with 25 of these being from infantile paralysis and 6 from birth injuries. Burns caused 11 children to become crippled from fractures sustained in accidental causes. Congenital deformities, 5 children had spinal curvature from causes other than infantile paralysis and 3 were crippled from other causes.

The work of the Crippled Children's Division is carried on in hospitals and by bone and plastic surgeons, selected by the State Board of Health for the use of the Division. To be eligible for treatment, the child must be under 21 years of age, mentally normal and residing in a home that is unable to provide the needed care.

Jones County has 20 children now under the care of the Crippled Children's Division and there is one child on the waiting list.

SHIPP'S SERVICE STATION

WHAT IS

"PATHOMETRY"

The New Scientific Development For Detecting and Correcting Disease

It is your doctor's duty as well as pleasure to announce that he has placed in his office, for your convenience, equipment which is usually seen only in larger clinics and in larger towns.

You need not now spend a young fortune in some far-away clinic to learn just what your trouble is and how it may be corrected.

Now, in Hamlin, you can learn for a nominal fee just what organ or organs ARE affected, if any, and with what they are affected, and to what extent the disease has progressed, whether your glandular system is balanced, and what are the symptoms most apt to result. You may learn to what extent certain foods raise or lower your vitality.

This and more, too, may be learned by this most exact information. You are invited to visit this office and learn more of this service.

—NEW LOCATION—

I am now located in my new office just one half block west of the Post Office for your convenience.

PIPERS SQUELCH MERKEL

Well, folks, you really missed a ball game when the Pied Pipers of Hamlin played the Merkel Badgers. In the beautiful Merkel gym, with the colorful Merkel band furnishing the razzle-dazzle, the boys from Nolan County were out to show their loyal fans what they could do with a basketball and a small hoop to throw it through. For the first two quarters, they did just that. In fact, at the end of the half, the score read, Merkel 15, Hamlin 9. Hickman, hotshot forward of the Merkel quintet, had the ball charmed, for he couldn't miss the basket. But in the second half, the boys from Hamlin turned loose everything in their bag of tricks. With Coles, captain of the Hamlin squad, hitting the basket with uncanny accuracy, the Hamlin team rallied to within three points of their opponents when the whistle blew ending the third quarter. The hoopers from Nolan County, seeing that their opponents were on the rampage, tried to "freeze" the ball. They succeeded for about the first two minutes, but a bad pass gave the Hamlin club the break they had been waiting for.

Coles sank a free pitch to put the Hamlin club just two points behind. Taking advantage of a Merkel bad pass, R. M. Petty (Cannonball), Hamlin guard, made the mesh whistle with a perfectly executed stance shot. The score read, Hamlin 22 and Merkel 22. When the whistle blew, the score was tied at 22 all. In the overtime period, it was Petty again with a classy one-hand shot that enabled the Hamlin boys to win. The game kept the spectators from sitting, for they were too excited.

Be sure to attend the next Piper game at home!

PIPERS' RESULTS

Hamlin....24	Merkel....22

PIPERS LOSE THRILLER

The Pied Pipers lost their first conference game in three years as they bowed to the Avoca quintet by a score of 17 to 15. The Pipers lead the first three quarters, only to fall victim to a last quarter rally. Play was unusually rough, as both teams were fighting hard to gain possession of the ball. It was late in the fourth quarter when Jones, Avoca right forward, tied the ball game up with a free pitch assessed against the Pipers. The ball game ended with the score 15 and 15. Both the coaches agreed to three more minutes' of play; so the two teams started off with all the vim and vigor they could muster up. Taking the ball off the backboard in the closing minutes of the overtime period, Sam Preston, Avoca right guard, made the mesh swish with a beautiful one-handed bank shot. With the Avoca fans raising the roof off the gym with their frenzied yells, the whistle blew ending the game.

This makes the Pipers' dope sheet look like a "dog" fight for the county crown. So all of you true Piper fans come out and watch our boys bid for their next conference win.

PIPERS LOSE IN SWENSON

TOURNEY PLAY

The second string Pied Pipers basketball team lost in the finals of the consolation at the Swenson basketball tournament this week-end. Their first round opponent was the highly touted A. C. C. Academy of Abilene. The Pipers made the quintet think they had a bulldog by the collar before they finally eked out a 20 to 12 score. Everett Ellison, Hamlin forward, led the scoring attack with eight points. Although the Pipers' first round opponent was a little too "jagged" for them, the Pipers made a real showing. In the consolation finals, the Pipers opposed Old Glory. In all probability, this was the most exciting game of the tournament. The Pipers lead a devastating attack in the last quarter that put them within three points of their rival. With thirty seconds left to play, Jack Ellison, Hamlin guard, dribbled down the court and sank a beautiful looping one-handed shot to put our boys one point short of tying up the score. As the Old Glory team was bringing the

ball down the court, the whistle blew. The final score read, Old Glory 18, Hamlin 17.

Our boys are in the thick of the county race, so come out and see them play.

PIPERS' SCHEDULE

Jan. 20—Merkel at Merkel.
Jan. 21st—Noodle at Noodle.
Jan. 23—Anson at Anson.
Jan. 27th—Merkel at Hamlin.
Jan. 28th—Lueders at Lueders.
Jan. 30th—Hawley at Hawley.
Jan. 31st—Swenson at Hamlin.
Feb. 4th—Avoca at Hamlin.
Feb. 6th—Noodle at Hamlin.
Feb. 7th—Abilene at Abilene.
Feb. 10—Sweetwater at Hamlin.
Feb. 18th—Sweetwater There.

INTERESTING ASSEMBLY

PROGRAMS IN THE MAKING

The members of the Assembly committee met Wednesday morning for the purpose of planning some interesting programs. Each department of Hamlin High school will be asked to furnish a program, representing their department. The way the schedule is now arranged there will be an assembly program for nearly every week. A group of different suggestions for assemblies will prove restful to the student body.

The student committee members and the faculty members that are responsible for the planning of the programs are:

Students—
R. A. Dean—Charlotte Dillingham—Seniors.

Betty Abbott—Mary Nell Bell—Juniors.

Ellis Benham—Billie Rountree—Sophomores.

Hortense Phenix—and Betty Lou York—Freshmen.

Faculty Members—

Miss Bernice Whiteley—Miss Emma J. Blake.

Mr. Clyde Smith—Mr. Hubert Morton.

The students are looking forward to these programs. From the programs already suggested, the students will not be disappointed.

PIPERS GO SNOOPING

Who is Dub Wilemon's latest correspondent? Could it be the Louisiana blond who sits in front of him the 8th period?

We wonder if Joe Don Dickey, will ever strike up a romance; or is he just one of those guys who talk too much.

Girls of course we know you are very patriotic, but do you have to send so many letters to Uncle Sam's boys? You had better watch out or H. H. S. boys will plan a defense program too. Perhaps they will start writing to Red Cross nurses and then what?

Tommy must be getting his Joyces mixed. He used to go to the Home Ec room for Joyce Hudson, but now he goes to the study hall the fifth period for Joyce Conner. It's a crazy world.

D. C. Reynolds, has your favorite saying, "I'm next," worked yet?

Just a little hint to the wise. La Nell, ya better watch your step, 'cause Dizzy says he won't be second choice.

Dear me! Drue, has this romance gone so far that that certain little one has to hang around—I mean, hang her coat in—your locker?

Carl, there are girls in Hamlin named Bobbie, too. We're glad Bobbie Lawson of Stamford doesn't give too many parties. After all, what's a H. H. S. gal to do? Oh, hang these out-of-town romances, anyway.

Jimmy Scarborough, don't let the fifth period librarians get you. They only want to see you blush.

THE SNEAKER

A certain tall blond basketball player is receiving presents from a girl from Stamford. I won't tell who he is, but he plays center and has acted captain so far.

Could it be that Petty dislikes boys from T. W. C. or is he just jealous. I wonder how angry he really was one Sunday evening when he couldn't find a certain Anson girl?

I wonder why the Hudson-Hill case is not making the papers any more? Could it be that they are on the rocks again?

The basketball games must be

boresome, anyway certain teachers bring their papers and grade them while watching the game.

Loy Fry was at the game but not with the same date he had at the first game. I wonder why?

Could Andress and Dean be having trouble? LaNelle was at the first game with Jess Treadwell. Then after the other game Dizz couldn't find her.

Does Hope Cade really enjoy basketball or is there an attraction at or after the game that brings Hop out? We have our own suspicions.

We wonder where Jack Ellison goes for his dates. Last Saturday night I found out that he also goes to Anson. It has been rumored that her name is Ethel—well, Jack had a good time anyway.

I wonder why Marguerite Nobles destroyed the evidence the Sneaker had against her last week. Maybe she doesn't like the limelight.

It looks as if Dillingham and Johnston are definitely through. The Sneaker just happened to hear Alvin singing a right pretty song entitled, "It's All Over Now." Yes, Al took a sophomore to the game the other night.

JUNIOR PLAY CAST

Well, it's about time for the Juniors to feed the Seniors. Therefore, the Juniors must make some money. The solution of this very serious financial problem, due to the enormous appetites of the Seniors, will result in the production of the annual Junior play. The name of this rollicking comedy is "Problem Father."

The two sponsors, Miss Smyers and Miss Blake, along with the director, Mrs. Heflin Miller, put their heads together and selected a cast. The "Problem Father", Mr. Sheldon Tupper Wentworth, thinks he discovered the natural posture of man, and he tries to convince his family and their friends he is right. While his family tries to convince him that he is wrong, they become involved in many puzzling and amusing episodes.

THE CAST

Mr. Tupper Wentworth, a writer—Bill Harbert.

Emily Wentworth, his wife—Inez Joiner.

Ken, his son—Milton Fletcher.

Barbara, his daughter—Bettye Abbott.

Mrs. Bywater, his mother-in-law—Craigolene Elmore.

George, his brother—Ralph Dean.

Lulu, the maid—Mary Nell Bell.

Johnny Powers, Barbara's friend—G. W. Turner.

Lucy Saunders, Barbara's friend—Hope Cade.

Hazel Higgins, Barbara's friend—Bobbie Tims.

Mrs. Ernestine Powers, Johnny's Mother—Shirley Barnes.

Dr. Henry Van Owen, a lecturer—Billy Dillard.

Miss Velma Tithill—Virginia Brown.

Mrs. Witherspoon—Virginia Hampton.

Mrs. Walkup—Selma Hassen.

Mrs. Klink—Alice Morrison.

Stage Manager—S. C. Ferguson.

Business Manager—Bobby Barnes.

Advertising Manager—Richard Young, Jr.

This play will be given February, 21, 1941. Be sure to remember this date if you want to see this farce comedy in three acts. "Problem Father."

MR. WARREN HEWITT

SPEAKS AT ASSEMBLY

Mr. Warren Hewitt spoke to the High school students January 14, on his travels in Europe and "The Youth Movement in Germany."

Following his graduation from the University of California, he made a tour of Europe with a group of friends. This tour was made at a very opportune time, because it was just before the outbreak of the present war.

Mr. Hewitt compared the youth in Germany with a mechanical device. Hitler's machine begins with children who are only ten years old. They attend school from eight until six o'clock. All girls are dressed in white blouses and black skirts. The boys wear brown suits with a Sam Brown belt. Each boy carries a knife in a scabbard. In the classroom they are told what to think about certain people and subjects. They repeat

and memorize in unison. At the age of eighteen those boys and girls are sent to labor camps for six months. The boy from the city learns the ways of a country boy and vice-versa. After this a boy must serve a year in the army, before he can become a citizen of Germany. Those that do not obey every command are sent to Concentration Camps, called a "Bird Sanctuary."

The women do not become citizens until they marry. For every child that she has, she gets a medal. Mr. Hewitt says that the Germans think they are a superior race of people. They believe what they are forced to learn. The youth of Germany is for Nazism, but the older people are treated in a different way to the youth. In another fifty years Germany will have only those who believe in it.

The students enjoyed Mr. Hewitt's lecture and have expressed a desire to hear more about his travels in Europe.

SCHOOL RECEIVES NATIONAL

EMBLEM FROM CLASS OF '40

Hamlin High is proud to boast a beautiful new American Flag, which was purchased with money left to the school by the Senior class of '40.

The new flag was bought from the Southwestern Ceiling Company, and may be seen waving proudly above the Hamlin High school building.

The students are glad that the faded and tattered emblem could be replaced with a beautiful new flag.

NEW COURSES OFFERED

THIS SEMESTER

Along with the many other courses offered the second semester in Hamlin High school, Economics and commercial geography will be offered. These courses will be taken up by students who need a half credit to graduate or by students who are now taking subjects that are taught only one semester. Both courses are very interesting and practical and will be taken by many students who want to learn about business and about the commercial geography of our country.

IT'S THREE IN A ROW FOR

THE PIPERS

Our ballhawking basketball club, sparked by forwards that alternate with high point scoring honors, made it three in a row as they swamped the Hawley aggregation by a lop-sided score of 36 to 14. Led by R. A. Dean in the first quarter, the Pipers ran up a large margin. In the second quarter, it was Floyd Smith who led the scoring attack. The Pipers showed the fans some fancy shooting and some fancy screening. The Hawley boys didn't get close enough to the goal to do very much scoring. They made all their scoring in the first three minutes of play. It seems that the Hamlin club waits for a few plays before they really start to work. The Pipers' slate is still clean with three conference wins in as many starts.

Now folks, you haven't been supporting your club as you should. They will really give you your money's worth, so come out to the next game.

SPANISH PROJECT

The fatal day has come and gone for the Spanish classes. They have had projects, too. They have made calendars of each month and posters representing the classroom, the family, the numbers and foods. They have also made a clock and are now learning to tell time. These projects will be on display at the Parents' night program, January 23, 1941.

Entertained With Treasure Hunt

The members of the Y. W. A. were entertained Tuesday evening by the Woman's Missionary Society of the First Baptist Church. The group met at the home of Mrs. Arlie Cassle and went on a Treasure Hunt which ended at the country home of Mrs. J. L. Keen, east of Hamlin, where a lovely picnic supper was served.

Those present were Faye LaVerne Howard, Geneva Huling, Helen White, Mary Dell Park, Elsie Mitchiner, Mary Elizabeth Tindal, Bernice Shelton, Helen Barnes, Virginia Sue Flowers, Julia Pitcock, Mary Jo Price; Mmes. Jack Russell, Arlie Cassle, G. P. Odom, J. L. Keen, M. Y. Wilson, H. O. Cassle, and Mr. and Mrs. E. J. Whaley.

—Reporter

Rev. and Mrs. Harrell Entertain Stewards and Wives

Tuesday evening at 7 o'clock, the Stewards and wives of the Methodist church and Rev. and Mrs. C. A. Bickley of Abilene, were very pleasantly entertained by their pastor and wife, Rev. and Mrs. J. E. Harrell, with an oyster supper.

Upon arriving, each guest inhaled that delicious aroma as the oysters were being fried by none other than Mr. Tom Teague. He is very efficient in that line, having hailed from Spur, as did the pastor and wife, where such suppers are had quite often.

In the church basement tables were laid with white linens and centered with red carnations and Valentine napkins.

Thanks was given by Rev. Bickley then the hot, appetizing platters of oysters were passed by Mrs. Harrell and Mrs. A. Hudson. Pickles, sauces and crackers on the tables added to the amount consumed, but no one "counted" their oysters, yet it was hard to see how Mr. Bailey and Mr. Carpenter could tarry so long. They couldn't have been eating oysters all the time (?)

Delicious lemon pie followed as a desert with coffee. Mr. J. E. Moody acted as toastmaster. Two members, Mr. McBride and Mr. Simpson had to leave at this time to go to some important men's club.

Mr. Johnston, superintendent of the Sunday School, was introduced, and gave an instructive talk about the church finances. Mrs. Bickley was next introduced and she gave an inspirational talk, followed by Rev. Bickley, who talked concerning the church budget. This gracious hospitality of Rev. and Mrs. Harrell was enjoyed by the following: Mr. and Mrs. Ed Bailey, Mr. and Mrs. Joe Simpson, Mr. and Mrs. M. T. York, Mr. and Mrs. Tom Teague, Mr. and Mrs. J. C. Denton, Mr. and Mrs. J. E. Moody, Mrs. A. Hudson, Mr. and Mrs. L. H. McBride, Mr. and Mrs. Fred Carpenter, Mr. and Mrs. J. O. Jones, Mr. and Mrs. H. A. Johnston, and Rev. and Mrs. C. A. Bickley of Abilene.

Vegetable Laxative Makes Happy Friends

Here's a laxative that usually acts thoroughly as harsher ones but is a gentle persuader for intestines when used this way: A quarter to a half-teaspoonful of spicy, aromatic BLACK-DRAUGHT on your tongue tonight; a drink of water. There's usually time for a good night's rest, with a gentle, thorough action next morning relieving constipation's headaches, biliousness, scur stomach, bad breath.

BLACK-DRAUGHT is a splendid combination of vegetable ingredients, chief of which is an "intestinal tonic-laxative" that helps impart tone to lazy bowel muscles. It's economical. 25 to 40 doses: 25c.

Gift Tea Honors Mrs. Ray Johnson

Mmes S. C. Ferguson, H. W. Madden and A. B. Carlton were co-hostesses Monday afternoon when they entertained at the Ferguson country home, south of Hamlin with a gift tea, honoring Mrs. Ray Johnson, a December bride.

A color scheme of pink and white was carried out in decorations, with ferns and blooming plants adding the floral touch to the entertaining rooms.

Guests were welcomed by the hostesses and directed to the register, a pretty handmade bride's book in charge of Miss Doris Gray.

The program included a reading by little Miss Frankie Sue Madden, a Toast to the Bride, Miss Mary Elizabeth Tindal; To the Girls Left Behind, Miss Mary Lou Bailey; Advice to the Bride, Mrs. E. R. Richardson, and a solo, "I Love You Truly," little Miss Alpha Faye Rodgers with Mrs. Amon Weaver at the piano. As Mrs. Weaver played Mendelssohn's Wedding March, little Miss Frankie Sue Madden and W. L. Fletcher III, dressed as a bride and groom, entered the room, pulling a small wagon decorated in pink and white, and loaded with lovely gifts which they presented to the honoree, Mrs. Johnson.

The hostesses, assisted by members of the house party and Miss Gertrude Crowley, served a plate holding sandwiches, sand tarts, and Russian tea. Favors were tiny gold wedding rings tied to cards inscribed, Neelie Mae and Ray, Dec. 25, 1940.

Mrs. J. B. Richardson Hostess to Club

Mrs. J. B. Richardson was hostess to the Optimissus Club, Friday afternoon, entertaining in the home of her sister, Mrs. G. P. Odom, South Central Avenue.

In the games of "42" Mrs. J. H. McCray won high score. During the social hour a salad plate with hot punch was served and Sunshine Sisters were revealed.

Those present were: Mmes. O. G. Harvey, A. T. Tipton, F. E. Barnes, G. P. Odom, J. H. McCray, Lonnie Gibson, Ray Maberry, Walter Dean, L. B. Maberry, Pat Marlow and Garland Feemster.

Mrs. Perry Sparks Sorority Hostess

The Beta Theta chapter of Beta Sigma Phi met Tuesday evening in the home of Mrs. Perry Sparks.

After a business session, the program was given by Misses Edwina Gilbert, Emma John Blake, Bernice Gilmore, and Loucille Willis.

Other members present were: Miss Elsie Wienke, Miss Nadine Morgan and Mrs. Gerald Morgan.

Louisiana Visitor Honoree At Party

To compliment her niece, Miss Polly Calhoun from Loganport, La. Mrs. V. A. White, assisted by Mrs. Don Gould and Mrs. John Allen Nelson, entertained with a party Monday evening in the Boyd apartment.

Games of hearts, spoon and rummy were played with Laverne Parker and Constance Teague receiving high and low scores, respectively.

Lovely refreshments of sandwiches, chicken salad, date pudding, and Coca Cola were served to the following: Misses Calhoun, Dorothy Gardner, Constance Teague, Laverne Parker, and Messrs. Clifford Reynolds, Charles Mullins, Harry Gardner and W. L. Hunter.

Spend ONE dollar for the Herald and make some one happy all of 1941. Do it.

Oyster Supper For Stewards and Wives

Rev. and Mrs. J. E. Harrell acted as host and hostess to the Stewards and their wives with an oyster supper in the Methodist church basement, Tuesday night. Dr. and Mrs. C. A. Bickley were special guests.

J. E. Moody was toastmaster. H. A. Johnston, Sunday School Supt., and member of the Budget Publicity Committee, outlined the work planned by this committee. Mrs. Bickley also spoke briefly in an inspiring way about baggage left on the road of life. Dr. Bickley, District Superintendent, made an interesting and helpful talk on plans for the District.

Wise Chapel School Organizes 4-H Clubs

On Friday, January 10, County Agent Floyd Lynch and Home Demonstration Agent, Miss Gladys Marton, came out to the Wise Chapel school house and organized a boys' and girls' 4-H club. We hope these clubs will be a success.

We started our mid-term examinations on Tuesday of this week and were through with them by Friday. Those exempted in the 8th grade were: Mary Ellen Waincott, with an average of 93 per cent, and Faye Neille with an average of 88, and two-thirds per cent. Those in the ninth grade were: Fred Vaughan whose average was 87 per cent and Keith Louise Jobe whose average was 92 1-6 per cent.

Last Friday Wise Chapel's ball girls went to Hamlin and played the Hamlin volley ball team. Those on Wise Chapel's team are: Faye Neille, Glenna Mae Whitaker, Ernestine Jenkins, Dora Mae Rhoton, Helen Acklin, Margaret Patterson, Delma Rhoton, and Keith Louise Jobe.

Floyd and Walton Isbill from Port Arthur, Texas, are visiting Claude Carnes of Hamlin.

We're Ready to Serve Uncle Sam

—But We're Not Forgetting You!

It has been asked:

How soon can the electric industry prepare?

The question was answered by a noted editor who wrote:

"When there is a big job to be done, it is logical and sensible to assign it to hands that are willing, ready, able and experienced.... This is directly applicable to the problem of electric power for defense. The willing hands in this case are your everyday friends and acquaintances.... the men and women, working under a system of private initiative and enterprise, who operate your service company. Their experience and ability cannot be questioned.... They are ready NOW."

The United States today has more than 40,000,000 kilowatts of generating capacity—50 per cent above demand—of which 90 per cent is privately owned by people who invested their savings in sound business enterprise. By way of comparison, Germany, England and France each have less than 9,000,000 kilowatts.

Not only is power for defense assured by this capacity, but it is further guaranteed by interconnections and integration—started 30 years ago and bringing electric service in West Texas and the nation to

a higher peak of EFFICIENCY and ECONOMY THAN ANYWHERE ELSE IN THE WORLD. Jobs are provided 275,000 men and women, every one of whom is fully trained in some special post necessary to producing and distributing power. The industry is paying \$400,000,000 a year in taxes supporting the various local, state and federal governments and school and highway systems.

Guiding Your Electric Servant are capable, willing hands—your assurance of plentiful, cheap electric service.

Electric Power..and Man Power, too

We've prepared in advance to help Uncle Sam with electric power *without peril* to our service to you. And we are contributing manpower for defense as well. Twenty-three of our men already are in uniform. Those left behind are "carrying on" without impairment of service to you.

Summary of a recent survey among our thousand employees shows that as of January 1:

- 23 had entered service (8 as commissioned officers)
- 7 are reserve officers awaiting call
- 27 are eligible draftees awaiting immediate call
- 315 are within draft age
- 87 are veterans of first World War

POT SHOTS FROM McCAULEY

—BY GEO. DARDEN—

Bro. Hardesty preached his farewell sermon Sunday night at the Baptist church. He is to move to Abilene within the next few days to take up his work with the Rev. Nicholas in a great work with Orphan children.

A committee composed of the Deacons and four other members of the church were elected by members of the Baptist church to hire preachers to fill the pulpit until a regular pastor can be called.

The well to be drilled on the Davison farm has been delayed a few days due to the fact that the rig has not arrived. However, work will begin not later than the 25th.

Tom Price sold one quarter royalty last week. The price farm joins the Maberry farm on the west.

Mrs. W. M. Fancher has sold one quarter royalty; the deal being made last week. Mrs. Fancher's farm joins the J. L. Maberry farm on the southwest.

Drilling on the Humphrey well is progressing nicely and if no bad luck, casing will be set some time this week.

Real estate will go sky-high in McCauley if a few more producers come in. Why wait until the boom is on before you invest a few nickels. Don't say we didn't warn you.

Rev. Powers, a brother of our school superintendent, spent Saturday night with Supt. Powers and family.

The R. Humphreys family has moved to Abilene where Mr. Humphrey is working on the army camp.

Johnnie James Maberry is employed at the army camp in Abilene also John Dean and Ralph Bishop, Curtis Stevenson and possibly some others from this community.

Mrs. L. E. Rector tells us that the P-T. A. is to sponsor a three act comedy play in the near future. Local talent will be the actors and from what we can hear this play will be a scream from start to finish. Watch this column for further announcements as to date, etc.

The farmers around McCauley that do not own tractors are talking about trading old Beck and Maude in on one. It seems that the horses and mules are too slow, and furthermore, they have to eat whether they work or don't work.

We, like a lot of other citizens, believe McCauley needs another school building, and the best way to pay for one is to get a few producing oil wells on the campus. As we gaze into the crystal, we can see a large pool of flowing gold right under the town site, and the next thing we are interested in is—to get the fellow with the rigs and equipment to drill. No charges for information.

Mr. and Mrs. John Wishert are in Dallas this week with their son Alfred Ray, who is undergoing treatment for an eye infection. We hope for Alfred a speedy recovery.

Miss Bill Milsap is visiting relatives in and near Dallas this week.

Bill Pickron has returned from Abilene with a bad case of flu and isn't able to be up at this writing.

Sorry to report that W. A. Hemphill's car is in the hospital. The reason; a Jersey bull failed to duck on the highway last Saturday night. Results were a caved in radiator, head lights torn off, fender smashed, but nobody hurt. The car was driven by Billie Pickron, accompanied by James Parker, so the story goes.

Joe Hunter and this reporter landed a job as timekeepers with the C. Q. M. at Camp Berkeley last Tuesday and will report for duty Wednesday. We will be back in the old home town every few days, so

FLAT TOP SOUTH SIDE NEWS

(By Nancy O'Neal)

Mr. and Mrs. Sigmond Stovall of Flat Top were week end guests of his parents, Mr. and Mrs. Fred Stovall, formerly of this community.

Once again the gravel pit crew is in full swing. Several hundred cars of gravel have been ordered to be delivered at Abilene. The hands have been selected by Mr. Jackson, of Vernon, who is manager of the corporation. Since there will be a day and night crew, this will give quite a few unemployed men a position.

Mrs. Jeff Cheshier of Flat Top was a guest of her sister, Mrs. Sam Doyle Thursday.

Mr. and Mrs. William Sedberry of Hamlin visited Mr. and Mrs. J. M. Sedberry of South Side Thursday afternoon.

J. W. Hines of Flat Top was in Abilene attending to business Friday afternoon.

Mr. and Mrs. Claud Thompson of South Side were guests of Mr. and Mrs. Jack Smith of Flat Top Thursday afternoon.

Quite a few folks of these communities are up and going again after being ill for some time with flu.

Mrs. Sigmond Stovall and Mrs. Johnny Hines of Flat Top were guests of Mrs. Troy Gabriel also of Flat Top Friday.

Mr. and Mrs. Thompson Young and daughter Yvonne of Boyd Chapel were visitors in the home of Mr. and Mrs. W. A. O'Neal of South Side Sunday.

Rev. Frank Pope of Anson visited, friends at South Side and Flat Top Sunday.

Mr. and Mrs. Eddie Boren of South Side were guests of his parents, Mr. and Mrs. E. C. Sanders of Hamlin Sunday.

Ruby Boren of South Side spent Sunday night with Mr. and Mrs. Boren of Hamlin.

Announcement has been made that Rev. Frank Pope of Anson will conduct church services at the Flat Top Baptist church on Sunday, Feb. 2 at the usual church hours. Every one is cordially invited to attend.

Mr. and Mrs. John O'Neal and children Lydia and Bobby of Hamlin spent Tuesday night with relatives at South Side.

Mrs. T. T. Brady Sr. and son Henry of South Side were visitors at Aspermont Tuesday.

Mr. and Mrs. Roy Bruner of South Side visited Mr. and Mrs. James Bowman of Flat Top Tuesday.

Mrs. James Bowman of Flat Top has been on the sick list for several days.

Nancy O'Neal of South Side spent Tuesday with Doris Proctor in Hamlin.

Mrs. Jack Smith and children, Patsy June and Mikey of Flat Top, visited friends at Hamlin on Sunday.

BOYD CHAPEL CHIRPS

(By Mrs. Albert Haught)

Rev. Cecil Ottinger filled his place in the Methodist pulpit Sunday, morning and evening.

Mr. and Mrs. Wortham Crow spent the week end with her parents, Mr. and Mrs. Gibson of Snyder.

Miss Virginia Cozzen spent the week end with Mr. and Mrs. E. J. Garvin of Stamford.

Mr. and Mrs. H. C. Hodges visited his parents, Mr. and Mrs. Hodges of Merkel Friday night.

Mr. and Mrs. Luther Haught spent Sunday with their daughter, Mrs. Clarence Hill and family at Hitson.

Mr. and Mrs. Thompson Young and Yvonne spent Sunday with Mr. and Mrs. W. A. O'Neal at Flat Top.

Miss Frances Coffman visited her sister in Abilene over the week end.

Rev. and Mrs. Cecil Ottinger visited in several homes in our community Friday of last week.

Mrs. Henry Burkett, of Post, who has been in the home of her parents, Mr. and Mrs. O. C. Estes, returned home last week. Mrs. Estes accompanied her for a short stay.

Those who spent Sunday in the V. R. Kelley home were Mr. and Mrs. Joe Allen, Lucille and Juavana Crowder, Mr. and Mrs. Albert Haught and Junior Haught.

Mr. and Mrs. M. L. Haught entertained a few of their friends in their home Monday night. After an evening of games of "42", tamales, and coffee were served to Mr. and Mrs. Thompson Young, Mr. and Mrs. Earl Brown, Mr. and Mrs. Charley Bingham, and the host and hostess, Mr. and Mrs. M. L. Haught.

The Communists, like the Nazis and Fascists, believe and advocate that it is the duty of government to support the people and the right of government to exact blind obedience on all matters from the people. The American people only want a chance to work and be free. While Congress does not have the power to deny to citizens the right to believe in, teach, or advocate Communism, Fascism, or Nazism, it does have the right to focus the spotlight of publicity upon their activities and to out-law any organization which is found to be under control of, or subject to the dictation of a foreign government. We, as a free people, should at all times keep our eyes open for un-American activities.

"Build-Up" Good News For Suffering Women

Much of women's periodic distress may be unnecessary!

Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of functional dysmenorrhea due to malnutrition are helped by CARDUI.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. Thus it often aids digestion; helps build strength, energy, resistance to periodic disturbances.

Others find help for periodic discomfort this way: Start a few days before and take CARDUI until "the time" has passed. Women have used CARDUI more than 50 years.

WISE CHAPEL NEWS

By Catherine Drake

Here we come again after several weeks of absence.

All the farmers are very busy plowing their land.

Mr. and Mrs. Joe Fudge of Neinda, Mr. and Mrs. D. D. Crow of Hamlin and Mr. and Mrs. Robert Cross and Miss Cross of Anson, visited Mr. and Mrs. Lem Revell Sunday.

Mr. and Mrs. T. W. Flenniken and son spent the week end with Mr. and Mrs. Elmore Flenniken in Abilene.

Mrs. Vida Smith and daughter Viola of Aspermont spent the week end with Connie Drake and sisters.

Still some on the sick list. We are glad to report that Mrs. J. J. Herbst,

Mrs. W. D. Patterson and Mrs. Tom Neil are all up again.

Mrs. Dave Herbst went to Abilene Saturday for medical advice about her throat.

Mr. and Mrs. Ben Bingham of Union and Mrs. Bingham and son Loys of Neinda visited Mr. and Mrs. Tom Neil and family Sunday.

Mr. and Mrs. Junior Patterson moved Tuesday to Flat Top where they will live.

Mrs. Vida Smith and daughter of Aspermont and Connie Drake and sisters went to Abilene Saturday of last week to see Miss Virginia Smith, who is a nurse in the Hendricks Memorial Hospital.

Mr. and Mrs. J. R. Bonds of Hamlin and Mr. and Mrs. Joe Bonds were in Abilene Sunday afternoon, sightseeing.

THE HAMLIN HERALD

IN 36th YEAR—EVERY WEEK SINCE 1905

HAMLIN, JONES COUNTY, TEXAS FRIDAY, JANUARY 24, 1941

NUMBER 13

The "Runningest" Candidate Takes Oath As Governor of Texas The Second Time

This week the people of Texas had the rare privilege of hearing over the radio, the voices of two men in their inaugurations. President Roosevelt for the third term, and Governor W. Lee O'Daniel for Governor of Texas for the second term. The two men on succeeding days. Patriotism has run high. Democratic ideals have been re-stated and expanded. There is no use in ignorance in any part of the American land, in this age. The most important thing needed in this period is sound, quiet thinking. And to think, one must utilize a lot of history, experience, and be able to assemble facts and causes and results. The chief essential in a Democracy is good leadership, and generally good leadership gets its cue from the great mass of public sentiment. This is an intelligent age in America, as never before and generally sentiment comes from pretty good thinking and weighing of facts.

Three Hamlin Boys In The Twenty-Five Selectees For Army

Tuesday morning, Anson was the scene of a farewell and good luck to 25 Jones County men, whose numbers were drawn for military training. Almost every community in the county had one or more representatives in that number of A-1 first class young men.

From Hamlin were drawn J. C. Turner, Jr., Vaughan Holt and Jas. Magee. These young men have everything in their makeup that goes to make real men. Good educations, manly bearing, high ideals and excellent physiques.

All selections are first taken to Dallas for medical examination, and until that test is finished, no one knows whether the men will be given a year's training or not. Just where the Jones County men will be quartered is not known either, perhaps they will all be assigned to the same division or may be in different positions. Just how much one's own pick of service is recognized, is not fully known. In any case, Hamlin people are back of our men 1000 per cent and we all look for them back within the one year, to take their places in civil affairs, honored and esteemed. Later: A telegram from J. C. Turner, Jr., to his parents on Wednesday, stated he was sworn in and was leaving for Brownwood.

CHURCH OF CHRIST

"But now abideth faith, hope, love, these three; and the greatest of these is love." I Cor. 13:13. A. S. V.

"Keep love in your life, my friend, If you would have perfect joy; Keep love, never let it depart— For who would his life destroy?"

For life's no longer than love, my friend; When love is no more, 'tis the journey's end, And regret and Fear shall your way attend— Keep love in your life, my friend."

Do you love the Lord? Test your self by the following verses: Jn. 14:23 "If a man love me, he will keep my words." I Jn. 5:3 "For this is the love of God, that we keep his commandments."

LOOSE-LEAF Notebook covers and filler paper for sale at HERALD.

Mr. and Mrs. Arthur Burns Off to Calif.

Sunday, Mr. and Mrs. Arthur Burns left for Shafter, California. They were not sure just what point they would settle in when they left Hamlin.

Mr. and Mrs. Burns' son, Farrow is finishing his enlistment in the Navy in March, on the U. S. S. Maryland. Their daughter, Miss Beulah Lou, is a student in the Alpine Teachers College.

This is one of Hamlin's fine families, having lived in Hamlin and Anson most of their married life. Mr. Burns is a barber by trade, and was with the Imperial Shop in Hamlin.

Mr. and Mrs. Burns were both very active in Sunday School and church work in Hamlin.

NEINDA NEWS NOTES

The Neinda P-T. A. met last Thursday night, January 16. The house was called to order by the president, C. E. Gregory. Several songs were sung by the group. Then the new motion picture projector, which has been purchased for the rural schools of Jones county, was demonstrated. Four interesting reels were shown. They were "The Children of Holland," "Thrushes and Relatives," and two reels of "Ohio State Park."

After the pictures were shown, pop corn and peanuts were served and several interesting games were played.

The next regular meeting of the Neinda P-T. A. is for Thursday night, January 30, at which time a pie supper will be held. A great time is planned for all. Everybody come and bring your loose change. The money raised from the supper will be used to buy new song books for the Neinda singing class.

HONOR ROLL ANNOUNCED

The honor roll for the fourth month of the Neinda school is announced by Principal J. A. Morgan to be as follows:

First grade—Joy Maynard, Dolores Tindal and Freida Tollison.
Second grade—Don Gregory.
Third grade—Wilma Woods, Melba Gae Turner and Barbara Nell Rodgers.
Fifth grade—Gladys Gardner.
Sixth grade—Joanne Jennings.
Seventh grade—Annie Lee Turner.

FOR SALE OR TRADE

One good Windcharger and battery. Some good second hand radios electric and battery.

Pipers' Basketball Team Is Host To Merkel Mon. Night

The classiest ball club that has been presented to the fans of Hamlin will appear Monday night opposing our Green and White quintet. The Merkel Badgers, coached by a former Hamlin High gridiron and basketball star, will make its first appearance in Hamlin under Carol (Deevine) Benson. Benson has had a good football team this year and now is producing one of the classiest ballhawking basketball clubs in wind blown West Texas. Carol has taught his boys the strategy that he learned in Hardin-Simmons. With precise timing on their screen plays, and accurate one-handed "bank" shots, the Badgers have made themselves potent in West Texas basketball circles. Last week in Merkel, our Pipers won in an overtime period, after being ten points behind at the half-time.

Come out and see one of the best basketball games that you will have the privilege to see this year. Show the Pipers that you are backing them 100 per cent with your attendance at the game. Game time is at 7:30. Admission 10 and 20c.

P. O. Williams called at the Herald office this week and had the Herald sent to his wife in Vallejo, Calif., where Mrs. Williams has been for some months operating an apartment house. Mr. Williams, who remained here to look after business, will join her about the 1st of March.

220 Plates Were Served At Annual Hamlin Chamber-Commerce Banquet

BASKETBALL GAME

Hamlin Pied Pipers will meet the Merkel Badgers in a crucial game here Monday night, January 27th. They are coached by a former Pied Piper, Carol Benson.

Admission 10c and 20c.

"Gone With The Wind" Famous Picture Coming Here On Jan. 29-30-31

Besides the information appearing in the regular Ferguson Theatre weekly program, of this issue, we call your attention to the great picture, "Gone With The Wind," which is being featured by the Ferguson Theatre in Hamlin on Wednesday, Thursday and Friday of next week.

"Gone With The Wind" is perhaps the nation's longest and most famous historical production on the screen. It is in technicolor and is to be shown in its entirety. That means one must be ready to see the first of it and go through to the end or else miss the continuity of events.

The Ferguson announces a matinee beginning at 2:00 P. M. on each of the days, and the evening program starts promptly at 7:30 P. M.

Many Hamlin people have seen this great picture in other towns, but will likely want to review it again here in Hamlin. The cost is not much now, as compared with the first showings. Remember the dates, and tell those who may not have seen this picture. Everybody should see it.

Singing Convention Meets At Corinth

Everyone is invited to attend the Jones County North Side Singing Convention, which meets Sunday, January 26, at Corinth. The singing will be held in the Baptist church and will begin at 1:00 o'clock.

There will be with us such outstanding quartets as the Lubbock Vaughan Quartet, The Stephens-Carson Quartet, also of Lubbock, and the Vaughan Quartet heard over KXOX, Sweetwater, the Roby Quartet, the Abilene Quartet and the Haskell Quartet.

We urge you to be present.
Mary Caudle, Secretary

Clarence Bailey With The Bryant-Link Co.

Observers will notice the old familiar face of Clarence Bailey at the Bryant-Link Co. as salesman. Clarence is Hamlin's oldest dry goodsman, counting years of service in this town. Stores may come and stores may go, but Clarence goes on forever. He knows more people and can talk their language from sox to evening gowns.

TAX NOTICE

This is the last month to pay your 1940 school taxes before they become delinquent. All taxes not paid on February 1, 1941, will be charged a delinquent interest.

Tax Collector

Perry Sparks Auto Supply Installs New Battery Re-Charger

Last week the Herald carried an explanatory advertisement for the Sparks Auto Supply telling about their New Machine for recharging automobile batteries.

The Herald went over this week to "take a peep." It is a streamlined, not very large affair, rather heavy, very attractive, and supported by two 8 inch rubber tired wheels so it can be wheeled out to an automobile, like a freight truck or a baby buggy.

From what we could get through our cranium, it works about this way: There is an electric connection and you plug the machine into it, and set a lot of gadgets, one of which is a time device, and flip on the current. At once it shows how the battery ranks, low, weak, or dead. If it is just down, from use, the machine starts building it up (mind you, it is still on your car) and when the time limit is over the thing flips itself off and pronto, there is your battery (while you waited). Drive out. Of course, there may be certain things that pulled the battery down, in which case it must be remedied. No detector can repair a broken place.

Now here is another angle: Suppose you go out to your car and find it will not go . . . just growl. You first think of a battery man. You call somebody. If it should be the Sparks place, he would do just like he did in former days. He would exchange a rent battery with you, if you were in a hurry. He would apply his machine to your battery and unless it was broken down he would have it ready to go by the time you got your hat and gloves on and drove down town. Then you could get your battery, if it was "re-storable", and on your way. If you were not in a hurry to drive your car out of the home garage, pronto, and Sparks would be right up there with your re-stored battery.

This new fangled battery gadget is just another step in the use of electricity. It is a kind of doctor which tells your battery that it is just a little "weak from over-work" or that the life cells are eaten away. It is just a battery doctor, which spurs new life into the power box or pronounces the end. If you don't believe all we say in this "spiel" just step in and see a demonstration for yourself.

Thursday night, January 30, Hamlin people are invited to attend an Old Time Dance to be held at Pioneer Hall in Anson, in celebration of the President's birthday.

Hamlin to Celebrate President's Birthday

Half of the proceeds from the observance will be retained for local use in the county, and the other half will go into the national fund which will be used to fight infantile paralysis. By attending this ball you will be helping a worthy cause.

Mrs. Frank Waggoner is the Hamlin chairman for this celebration, and any information regarding it may be obtained by contacting her.

James Tate May left Thursday of last week for Washington, D. C., to spend several days sight-seeing and to attend the third inauguration of President Roosevelt. He will likely be back home by this coming Saturday.

It Pays to take the Herald

The annual banquet of the Hamlin Chamber of Commerce was held on Thursday night of last week, in the Methodist Church, with 220 guests, more than taxing the capacity of the basement rooms.

Ted Russell acted as toastmaster, and that meant the program was carried out with dispatch.

The Hardin-Simmons University Golden Girls Quartet and Miss Lucile Powers with her Marimba instrument furnished the music.

Guests registered from all neighboring towns and communities, including McCaulley, Sylvestre, Roby, Sweetwater, Rotan, Haskell, Stamford, Anson, Albany and Abilene.

The guests at the tables were greeted by hosts and hostesses, Attorney and Mrs. Bill Eysen, Attorney and Mrs. Travis Dean, Attorney J. C. Turner, Jr., and Miss Bernice Gilmore, Mr. Forrest Greenway and Mrs. Garland Tumlin, Mr. and Mrs. Henry Albritton, and Mr. and Mrs. John Milburne.

The new directors for 1941 were announced, having been elected by ballots among the business men previously. They were Henry Albritton, J. B. Terrell, Roy Gilbreath and Bob Campbell. These with the hold-over directors will choose from their number a president for this year. The retiring president, Eddie Jay, made a report of the past year's work.

The speaker for the evening was Hon. Brady W. Gentry, chairman of the Texas Highway Commission. Mr. Gentry was fulfilling his engagement made a year previous, but at that time was prevented from coming to Hamlin by sickness.

Chairman Gentry made a strictly business talk on Texas highways and the problems to be met to finance all the work that ought to be done. He had for his audience a very appreciative people, residing in a section of Texas that lacks very much having the proper outlets by highway. Mr. Gentry could not come out and tell Hamlin people that he would do this or that, but he did express an interest in getting better outlets for this community.

From every point of view the banquet was highly enjoyed by all present.

METHODIST CHURCH

JAMES E. HARRELL, Pastor

Church School, 9:45 A. M.
Morning Worship, 10:50.
Young People, 6:15 P. M.

Report On Work For Crippled Children By B. E. McGlamery

The area under the supervision of Mr. McGlamery covers 43 counties in North Central Texas and has an estimated population of 900,000 persons. At present time the Crippled Children's Division is giving hospital and medical care to 650 children in homes in this area, that are not themselves able to provide this much needed service. Funds to pay for such hospital care and physicians' services are supplied by the State Department of Education, under State Supt. L. A. Woods, by both Federal and State appropriations.

During the year Mr. McGlamery has made 1,358 visits to the homes of crippled children in his field work and 20 children were brought by their parents or friends to the Eastland office for advice. Visits have been made to 56 children while they are patients in the various hospitals. In seeking information about crippled children and in acquainting people with the work of the Crippled Children's Division, visits have been made to 442 persons in official life, city, county, and state. In gathering case histories of children, calls were made on 189 physicians in the area.

One Crippled Children's Clinic was held at Stephenville at which 52 children were examined by the medical staff of the Crippled Children's Division and recommendations made to the parents for proper care of the children. During the year 11 addresses were made to schools and various civic organizations interested in the work being done for crippled children. 750 persons were present at these meetings.

185 applications for hospitalization were received for crippled children from the area during 1940 and 165 new cases were given hospital and physicians' care during the year. During the year each of the 650 children in the area, who are being hospitalized, have been to the

doctor's office for examination or to the hospital for additional treatment, one or more times during the year. There is one young man in one of the hospitals who celebrated a birthday on January 8, 1941. He is a victim of infantile paralysis and entered the hospital on January 8, 1940. He is making slow but sure progress toward a splendid recovery. At present time there are 55 cases on the waiting list in the area and some 700 or 800 throughout the State as a whole.

Of the 165 cases hospitalized during the year 1940, the following information concerning causes of disability will be of interest:

There are 45 cases resulting from bone diseases or bone infections of various types, with osteomyelitis as the prevailing cause. There are 31 cases of partial or complete paralysis, with 25 of these being from infantile paralysis and 6 from birth injuries. Burns caused 11 children to become crippled from fractures sustained in accidental causes. Congenital deformities, 5 children had spinal curvature from causes other than infantile paralysis and 3 were crippled from other causes.

The work of the Crippled Children's Division is carried on in hospitals and by bone and plastic surgeons, selected by the State Board of Health for the use of the Division. To be eligible for treatment, the child must be under 21 years of age, mentally normal and residing in a home that is unable to provide the needed care.

Jones County has 20 children now under the care of the Crippled Children's Division and there is one child on the waiting list.

WHAT IS

"PATHOMETRY"

The New Scientific Development For Detecting and Correcting Disease

It is your doctor's duty as well as pleasure to announce that he has placed in his office, for your convenience, equipment which is usually seen only in larger clinics and in larger towns.

You need not now spend a young fortune in some far-away clinic to learn just what your trouble is and how it may be corrected.

Now, in Hamlin, you can learn for a nominal fee just what organ or organs ARE affected, if any, and with what they are affected, and to what extent the disease has progressed, whether your glandular system is balanced, and what are the symptoms most apt to result. You may learn to what extent certain foods raise or lower your vitality.

This and more, too, may be learned by this most exact information. You are invited to visit this office and learn more of this service.

—NEW LOCATION—

I am now located in my new office just one half block west of the Post Office for your convenience.

PIPERS SQUELCH MERKEL

Well, folks, you really missed a ball game when the Pied Pipers of Hamlin played the Merkel Badgers. In the beautiful Merkel gym, with the colorful Merkel band furnishing the razzle-dazzle, the boys from Nolan County were out to show their loyal fans what they could do with a basketball and a small hoop to throw it through. For the first two quarters, they did just that. In fact, at the end of the half, the score read, Merkel 15, Hamlin 9. Hickman, hotshot forward of the Merkel quintet, had the ball charmed, for he couldn't miss the basket. But in the second half, the boys from Hamlin turned loose everything in their bag of tricks. With Coles, captain of the Hamlin squad, hitting the basket with uncanny accuracy, the Hamlin team rallied to within three points of their opponents when the whistle blew ending the third quarter. The hoopers from Nolan County, seeing that their opponents were on the rampage, tried to "freeze" the ball. They succeeded for about the first two minutes, but a bad pass gave the Hamlin club the break they had been waiting for.

Coles sank a free pitch to put the Hamlin club just two points behind. Taking advantage of a Merkel bad pass, R. M. Petty (Cannonball), Hamlin guard, made the mesh whistle with a perfectly executed stance shot. The score read, Hamlin 22 and Merkel 22. When the whistle blew, the score was tied at 22 all. In the overtime period, it was Petty again with a classy one-hand shot that enabled the Hamlin boys to win. The game kept the spectators from sitting, for they were too excited.

Be sure to attend the next Piper game at home!

PIPERS' RESULTS

Hamlin....26	Anson....16

Hamlin....24	Merkel....22

PIPERS LOSE THRILLER

The Pied Pipers lost their first conference game in three years as they bowed to the Avoca quintet by a score of 17 to 15. The Pipers lead the first three quarters, only to fall victim to a last quarter rally. Play was unusually rough, as both teams were fighting hard to gain possession of the ball. It was late in the fourth quarter when Jones, Avoca right forward, tied the ball game up with a free pitch assessed against the Pipers. The ball game ended with the score 15 and 15. Both the coaches agreed to three more minutes' of play; so the two teams started off with all the vim and vigor they could muster up. Taking the ball off the backboard in the closing minutes of the overtime period, Sam Preston, Avoca right guard, made the mesh swish with a beautiful one-handed bank shot. With the Avoca fans raising the roof off the gym with their frenzied yells, the whistle blew ending the game.

This makes the Pipers' dope sheet look like a "dog" fight for the county crown. So all of you true Piper fans come out and watch our boys bid for their next conference win.

PIPERS LOSE IN SWENSON

TOURNEY PLAY

The second string Pied Pipers basketball team lost in the finals of the consolation at the Swenson basketball tournament this week-end. Their first round opponent was the highly touted A. C. C. Academy of Abilene. The Pipers made the quintet think they had a bulldog by the collar before they finally eked out a 20 to 12 score. Everett Ellison, Hamlin forward, led the scoring attack with eight points. Although the Pipers' first round opponent was a little too "jagged" for them, the Pipers made a real showing. In the consolation finals, the Pipers opposed Old Glory. In all probability, this was the most exciting game of the tournament. The Pipers lead a devastating attack in the last quarter that put them within three points of their rival. With thirty seconds left to play, Jack Ellison, Hamlin guard, dribbled down the court and sank a beautiful looping one-handed shot to put our boys one point short of tying up the score. As the Old Glory team was bringing the

ball down the court, the whistle blew. The final score read, Old Glory 18, Hamlin 17.

Our boys are in the thick of the county race, so come out and see them play.

PIPERS' SCHEDULE

Jan. 20—Merkel at Merkel.
Jan. 21st—Noodle at Noodle.
Jan. 23—Anson at Anson.
Jan. 27th—Merkel at Hamlin.
Jan. 28th—Lueders at Lueders.
Jan. 30th—Hawley at Hawley.
Jan. 31st—Swenson at Hamlin.
Feb. 4th—Avoca at Hamlin.
Feb. 6th—Noodle at Hamlin.
Feb. 7th—Abilene at Abilene.
Feb. 10—Sweetwater at Hamlin.
Feb. 18th—Sweetwater There.

INTERESTING ASSEMBLY

PROGRAMS IN THE MAKING

The members of the Assembly committee met Wednesday morning for the purpose of planning some interesting programs. Each department of Hamlin High school will be asked to furnish a program, representing their department. The way the schedule is now arranged there will be an assembly program for nearly every week. A group of different suggestions for assemblies will prove restful to the student body.

The student committee members and the faculty members that are responsible for the planning of the programs are:

Students—
R. A. Dean—Charlotte Dillingham
—Seniors.
Betty Abbott—Mary Nell Bell
—Juniors.
Ellis Benham—Billie Rountree
—Sophomores.
Hortense Phenix—and Betty Lou York—Freshmen.
Faculty Members—
Miss Bernice Whiteley—Miss Emma J. Blake.
Mr. Clyde Smith—Mr. Hubert Morton.

The students are looking forward to these programs. From the programs already suggested, the students will not be disappointed.

PIPERS GO SNOOPING

Who is Dub Wilemon's latest correspondent? Could it be the Louisiana blond who sits in front of him the 8th period?

We wonder if Joe Don Dickey will ever strike up a romance; or is he just one of those guys who talk too much.

Girls of course we know you are very patriotic, but do you have to send so many letters to Uncle Sam's boys? You had better watch out or H. H. S. boys will plan a defense program too. Perhaps they will start writing to Red Cross nurses and then what?

Tommy must be getting his Joyce mixed. He used to go to the Home Ec room for Joyce Hudson, but now he goes to the study hall the fifth period for Joyce Conner. It's a crazy world.

D. C. Reynolds, has your favorite saying, "I'm next," worked yet?

Just a little hint to the wise. La Nell, ya better watch your step, 'cause Dizzy says he won't be second choice.

Dear me! Drue, has this romance gone so far that that certain little one has to hang around—I mean, hang her coat in—your locker?

Carl, there are girls in Hamlin named Bobbie, too. We're glad Bobbie Lawson of Stamford doesn't give too many parties. After all, what's a H. H. S. gal to do? Oh, hang these out-of-town romances, anyway.

Jimmy Scarborough, don't let the fifth period librarians get you. They only want to see you blush.

THE SNEAKER

A certain tall blond basketball player is receiving presents from a girl from Stamford. I won't tell who he is, but he plays center and has acted captain so far.

Could it be that Petty dislikes boys from T. W. C. or is he just jealous. I wonder how angry he really was one Sunday evening when he couldn't find a certain Anson girl?

I wonder why the Hudson-Hill case is not making the papers any more? Could it be that they are on the rocks again?

The basketball games must be

bore some, anyway certain teachers bring their papers and grade them while watching the game.

Loy Fry was at the game but not with the same date he had at the first game. I wonder why?

Could Andress and Dean be having trouble? LaNelle was at the first game with Jess Treadwell. Then after the other game Dizz couldn't find her.

Does Hope Cade really enjoy basketball or is there an attraction at or after the game that brings Hopq out? We have our own suspicions.

We wonder where Jack Ellison goes for his dates. Last Saturday night I found out that he also goes to Anson. It has been rumored that her name is Ethel—well, Jack had a good time anyway.

I wonder why Marguerite Nobles destroyed the evidence the Sneaker had against her last week. Maybe she doesn't like the limelight.

It looks as if Dillingham and Johnston are definitely through. The Sneaker just happened to hear Alvin singing a right pretty song entitled, "It's All Over Now." Yes, Al took a sophomore to the game the other night.

JUNIOR PLAY CAST

Well, it's about time for the Juniors to feed the Seniors. Therefore, the Juniors must make some money. The solution of this very serious financial problem, due to the enormous appetites of the Seniors, will result in the production of the annual Junior play. The name of this rollicking comedy is "Problem Father."

The two sponsors, Miss Smyers and Miss Blake, along with the director, Mrs. Heflin Miller, put their heads together and selected a cast. The "Problem Father", Mr. Sheldon Tupper Wentworth, thinks he discovered the natural posture of man, and he tries to convince his family and their friends he is right. While his family tries to convince him that he is wrong, they become involved in many puzzling and amusing episodes.

THE CAST

Mr. Tupper Wentworth, a writer—Bill Harbert.
Emily Wentworth, his wife—Inez Joiner.
Ken, his son—Milton Fletcher.
Barbara, his daughter—Bettye Abbott.
Mrs. Bywater, his mother-in-law—Craiglene Elmore.
George, his brother—Ralph Dean.
Lulu, the maid—Mary Nell Bell.
Johnny Powers, Barbara's friend—G. W. Turner.
Lucy Saunders, Barbara's friend—Hope Cade.
Hazel Higgins, Barbara's friend—Bobbie Tims.
Mrs. Ernestine Powers, Johnny's Mother—Shirley Barnes.
Dr. Henry Van Owen, a lecturer—Billy Dillard.
Miss Velma Tithill—Virginia Brown.
Mrs. Witherspoon—Virginia Hampton.
Mrs. Walkup—Selma Hassen.
Mrs. Klink—Alice Morrison.
Stage Manager—S. C. Ferguson.
Business Manager—Bobby Barnes.
Advertising Manager—Richard Young, Jr.

This play will be given February 21, 1941. Be sure to remember this date if you want to see this farce comedy in three acts. "Problem Father."

MR. WARREN HEWITT

SPEAKS AT ASSEMBLY

Mr. Warren Hewitt spoke to the High school students January 14, on his travels in Europe and "The Youth Movement in Germany."

Following his graduation from the University of California, he made a tour of Europe with a group of friends. This tour was made at a very opportune time, because it was just before the outbreak of the present war.

Mr. Hewitt compared the youth in Germany with a mechanical device. Hitler's machine begins with children who are only ten years old. They attend school from eight until six o'clock. All girls are dressed in white blouses and black skirts. The boys wear brown suits with a Sam Brown belt. Each boy carries a knife in a scabbard. In the classroom they are told what to think about certain people and subjects. They repeat

and memorize in unison. At the age of eighteen those boys and girls are sent to labor camps for six months. The boy from the city learns the ways of a country boy and vice-versa. After this a boy must serve a year in the army, before he can become a citizen of Germany. Those that do not obey every command are sent to Concentration Camps, called a "Bird Sanctuary."

The women do not become citizens until they marry. For every child that she has, she gets a medal. Mr. Hewitt says that the Germans think they are a superior race of people. They believe what they are forced to learn. The youth of Germany is for Nazism, but the older people are treated in a different way to the youth. In another fifty years Germany will have only those who believe in it.

The students enjoyed Mr. Hewitt's lecture and have expressed a desire to hear more about his travels in Europe.

SCHOOL RECEIVES NATIONAL

EMBLEM FROM CLASS OF '40

Hamlin High is proud to boast a beautiful new American Flag, which was purchased with money left to the school by the Senior class of '40.

The new flag was bought from the Southwestern Ceiling Company, and may be seen waving proudly above the Hamlin High school building.

The students are glad that the faded and tattered emblem could be replaced with a beautiful new flag.

NEW COURSES OFFERED

THIS SEMESTER

Along with the many other courses offered the second semester in Hamlin High school, Economics and commercial geography will be offered. These courses will be taken up by students who need a half credit to graduate or by students who are now taking subjects that are taught only one semester. Both courses are very interesting and practical and will be taken by many students who want to learn about business and about the commercial geography of our country.

IT'S THREE IN A ROW FOR

THE PIPERS

Our ballhawking basketball club, sparked by forwards that alternate with high point scoring honors, made it three in a row as they swamped the Hawley aggregation by a lopsided score of 36 to 14. Led by R. A. Dean in the first quarter, the Pipers ran up a large margin. In the second quarter, it was Floyd Smith who led the scoring attack. The Pipers showed the fans some fancy shooting and some fancy screening. The Hawley boys didn't get close enough to the goal to do very much scoring. They made all their scoring in the first three minutes of play. It seems that the Hamlin club waits for a few plays before they really start to work. The Pipers' slate is still clean with three conference wins in as many starts.

Now folks, you haven't been supporting your club as you should. They will really give you your money's worth, so come out to the next game.

SPANISH PROJECT

The fatal day has come and gone for the Spanish classes. They have had projects, too. They have made calendars of each month and posters representing the classroom, the family, the numbers and foods. They have also made a clock and are now learning to tell time. These projects will be on display at the Parents' night program, January 23, 1941.

Entertained With Treasure Hunt

The members of the Y. W. A. were entertained Tuesday evening by the Woman's Missionary Society of the First Baptist Church. The group met at the home of Mrs. Arlie Cassle and went on a Treasure Hunt which ended at the country home of Mrs. J. L. Keen, east of Hamlin, where a lovely picnic supper was served.

Those present were Faye LaVerne Howard, Geneva Huling, Helen White, Mary Dell Park, Elsie Mitchiner, Mary Elizabeth Tindal, Bernice Shelton, Helen Barnes, Virginia Sue Flowers, Julia Pitcock, Mary Jo Price, Mmes. Jack Russell, Arlie Cassle, G. P. Odom, J. L. Keen, M. Y. Wilson, H. O. Cassle, and Mr. and Mrs. E. J. Whaley.

—Reporter

Rev. and Mrs. Harrell Entertain Stewards and Wives

Tuesday evening at 7 o'clock, the Stewards and wives of the Methodist church and Rev. and Mrs. C. A. Bickley of Abilene, were very pleasantly entertained by their pastor and wife, Rev. and Mrs. J. E. Harrell, with an oyster supper.

Upon arriving, each guest inhaled that delicious aroma as the oysters were being fried by none other than Mr. Tom Teague. He is very efficient in that line, having hailed from Spur, as did the pastor and wife, where such suppers are had quite often.

In the church basement tables were laid with white linens and centered with red carnations and Valentine napkins.

Thanks was given by Rev. Bickley then the hot, appetizing platters of oysters were passed by Mrs. Harrell and Mrs. A. Hudson. Pickles, sauces and crackers on the tables added to the amount consumed, but no one "counted" their oysters, yet it was hard to see how Mr. Bailey and Mr. Carpenter could tarry so long. They couldn't have been eating oysters all the time (?)

Delicious lemon pie followed as a desert with coffee. Mr. J. E. Moody acted as toastmaster. Two members, Mr. McBride and Mr. Simpson had to leave at this time to go to some important men's club.

Mr. Johnston, superintendent of the Sunday School, was introduced, and gave an instructive talk about the church finances. Mrs. Bickley was next introduced and she gave an inspirational talk, followed by Rev. Bickley, who talked concerning the church budget. This gracious hospitality of Rev. and Mrs. Harrell was enjoyed by the following: Mr. and Mrs. Ed Bailey, Mr. and Mrs. Joe Simpson, Mr. and Mrs. M. T. York, Mr. and Mrs. Tom Teague, Mr. and Mrs. J. C. Denton, Mr. and Mrs. J. E. Moody, Mrs. A. Hudson, Mr. and Mrs. L. H. McBride, Mr. and Mrs. Fred Carpenter, Mr. and Mrs. J. O. Jones, Mr. and Mrs. H. A. Johnston, and Rev. and Mrs. C. A. Bickley of Abilene.

Vegetable Laxative Makes Happy Friends

Here's a laxative that usually acts thoroughly as harsher ones but is a gentle persuader for intestines when used this way: A quarter to a half-teaspoonful of spicy, aromatic BLACK-DRAUGHT on your tongue tonight; a drink of water. There's usually time for a good night's rest, with a gentle, thorough action next morning relieving constipation's headaches, biliousness, scur stomach, bad breath.

BLACK-DRAUGHT is a splendid combination of vegetable ingredients, chief of which is an "intestinal tonic-laxative" that helps impart tone to lazy bowel muscles. It's economical. 25 to 40 doses: 25c.

Gift Tea Honors Mrs. Ray Johnson

Mmes S. C. Ferguson, H. W. Madden and A. B. Carlton were co-hostesses Monday afternoon when they entertained at the Ferguson country home, south of Hamlin with a gift tea, honoring Mrs. Ray Johnson, a December bride.

A color scheme of pink and white was carried out in decorations, with ferns and blooming plants adding the floral touch to the entertaining rooms.

Guests were welcomed by the hostesses and directed to the register, a pretty handmade bride's book in charge of Miss Doris Gray.

The program included a reading by little Miss Frankie Sue Madden, a Toast to the Bride, Miss Mary Elizabeth Tindal; To the Girls Left Behind, Miss Mary Lou Bailey; Advice to the Bride, Mrs. E. R. Richardson, and a solo, "I Love You Truly," little Miss Alpha Faye Rodgers with Mrs. Amon Weaver at the piano. As Mrs. Weaver played Mendelssohn's Wedding March, little Miss Frankie Sue Madden and W. L. Fletcher III, dressed as a bride and groom, entered the room, pulling a small wagon decorated in pink and white, and loaded with lovely gifts which they presented to the honoree, Mrs. Johnson.

The hostesses, assisted by members of the house party and Miss Gertrude Crowley, served a plate holding sandwiches, sand tarts, and Russian tea. Favors were tiny gold wedding rings tied to cards inscribed, Neelie Mae and Ray, Dec. 25, 1940.

Mrs. J. B. Richardson Hostess to Club

Mrs. J. B. Richardson was hostess to the Optimiss Club, Friday afternoon, entertaining in the home of her sister, Mrs. G. P. Odom, South Central Avenue.

In the games of "42" Mrs. J. H. McCray won high score. During the social hour a salad plate with hot punch was served and Sunshine Sisters were revealed.

Those present were: Mmes. O. G. Harvey, A. T. Tipton, F. E. Barnes, G. P. Odom, J. H. McCray, Lonnie Gibson, Ray Maberry, Walter Dean, L. B. Maberry, Pat Marlow and Garland Feemster.

Mrs. Perry Sparks Sorority Hostess

The Beta Theta chapter of Beta Sigma Phi met Tuesday evening in the home of Mrs. Perry Sparks.

After a business session, the program was given by Misses Edwina Gilbert, Emma John Blake, Bernice Gilmore, and Loucille Willis.

Other members present were: Miss Elsie Wienke, Miss Nadine Morgan and Mrs. Gerald Morgan.

Louisiana Visitor Honoree At Party

To compliment her niece, Miss Polly Calhoun from Loganport, La. Mrs. V. A. White, assisted by Mrs. Don Gould and Mrs. John Allen Nelson, entertained with a party Monday evening in the Boyd apartment.

Games of hearts, spoon and rummy were played with Laverne Parker and Constance Teague receiving high and low scores, respectively.

Lovely refreshments of sandwiches, chicken salad, date pudding, and Coca Cola were served to the following: Misses Calhoun, Dorothy Gardner, Constance Teague, Laverne Parker, and Messrs. Clifford Reynolds, Charles Mullins, Harry Gardner and W. L. Hunter.

Spend ONE dollar for the Herald and make some one happy all of 1941. Do it.

Oyster Supper For Stewards and Wives

Rev. and Mrs. J. E. Harrell acted as host and hostess to the Stewards and their wives with an oyster supper in the Methodist church basement, Tuesday night. Dr. and Mrs. C. A. Bickley were special guests.

J. E. Moody was toastmaster. H. A. Johnston, Sunday School Supt., and member of the Budget Publicity Committee, outlined the work planned by this committee. Mrs. Bickley also spoke briefly in an inspiring way about baggage left on the road of life. Dr. Bickley, District Superintendent, made an interesting and helpful talk on plans for the District.

Wise Chapel School Organizes 4-H Clubs

On Friday, January 10, County Agent Floyd Lynch and Home Demonstration Agent, Miss Gladys Marton, came out to the Wise Chapel school house and organized a boys' and girls' 4-H club. We hope these clubs will be a success.

We started our mid-term examinations on Tuesday of this week and were through with them by Friday. Those exempted in the 8th grade were: Mary Ellen Wainscott, with an average of 93 per cent, and Faye Neille with an average of 88, and two-thirds per cent. Those in the ninth grade were: Fred Vaughan whose average was 87 per cent and Keith Louise Jobe whose average was 92 1-6 per cent.

Last Friday Wise Chapel's ball girls went to Hamlin and played the Hamlin volley ball team. Those on Wise Chapel's team are: Faye Neille, Glenna Mae Whitaker, Ernestine Jenkins, Dora Mze Rhoton, Helen Acklin, Margaret Patterson, Delma Rhoton, and Keith Louise Jobe. Floyd and Walton Isbill from Port Arthur, Texas, are visiting, Claude Carnes of Hamlin.

We're Ready to Serve Uncle Sam

-But We're Not Forgetting You!

It has been asked:

How soon can the electric industry prepare?

The question was answered by a noted editor who wrote:

"When there is a big job to be done, it is logical and sensible to assign it to hands that are willing, ready, able and experienced. . . This is directly applicable to the problem of electric power for defense. The willing hands in this case are your everyday friends and acquaintances. . . the men and women, working under a system of private initiative and enterprise, who operate your service company. Their experience and ability cannot be questioned. . . They are ready NOW."

The United States today has more than 40,000,000 kilowatts of generating capacity—50 per cent above demand—of which 90 per cent is privately owned by people who invested their savings in sound business enterprise. By way of comparison, Germany, England and France each have less than 9,000,000 kilowatts.

Not only is power for defense assured by this capacity, but it is further guaranteed by interconnections and integration—started 30 years ago and bringing electric service in West Texas and the nation to

a higher peak of EFFICIENCY and ECONOMY THAN ANYWHERE ELSE IN THE WORLD. Jobs are provided 275,000 men and women, every one of whom is fully trained in some special post necessary to producing and distributing power. The industry is paying \$400,000,000 a year in taxes supporting the various local, state and federal governments and school and highway systems.

Guiding Your Electric Servant are capable, willing hands—your assurance of plentiful, cheap electric service.

Electric Power..and Man Power, too

We've prepared in advance to help Uncle Sam with electric power *without peril to our service to you*. And we are contributing manpower for defense as well. Twenty-three of our men already are in uniform. Those left behind are "carrying on" without impairment of service to you.

Summary of a recent survey among our thousand employees shows that as of January 1:

- 23 had entered service (8 as commissioned officers)
- 7 are reserve officers awaiting call
- 27 are eligible draftees awaiting immediate call
- 315 are within draft age
- 87 are veterans of first World War

POT SHOTS FROM M'CAULLEY

BY GEO. DARDEN

Bro. Hardesty preached his farewell sermon Sunday night at the Baptist church. He is to move to Abilene within the next few days to take up his work with the Rev. Nicholas in a great work with Orphan children.

A committee composed of the Deacons and four other members of the church were elected by members of the Baptist church to hire preachers to fill the pulpit until a regular pastor can be called.

The well to be drilled on the Davison farm has been delayed a few days due to the fact that the rig has not arrived. However, work will begin not later than the 25th.

Tom Price sold one quarter royalty last week. The price farm joins the Maberry farm on the west.

Mrs. W. M. Fancher has sold one quarter royalty; the deal being made last week. Mrs. Fancher's farm joins the J. L. Maberry farm on the southwest.

Drilling on the Humphrey well is progressing nicely and if no bad luck, casing will be set some time this week.

Real estate will go sky-high in McCaulley if a few more producers come in. Why wait until the boom is on before you invest a few nickels. Don't say we didn't warn you.

Rev. Powers, a brother of our school superintendent, spent Saturday night with Supt. Powers and family.

The R. Humphreys family has moved to Abilene where Mr. Humphrey is working on the army camp.

Johnnie James Maberry is employed at the army camp in Abilene also John Dean and Ralph Bishop, Curtis Stevenson and possibly some others from this community.

Mrs. L. E. Rector tells us that the P. T. A. is to sponsor a three act comedy play in the near future. Local talent will be the actors and from what we can hear this play will be a scream from start to finish. Watch this column for further announcements as to date, etc.

The farmers around McCaulley that do not own tractors are talking about trading old Beck and Maude in on one. It seems that the horses and mules are too slow, and furthermore, they have to eat whether they work or don't work.

We, like a lot of other citizens, believe McCaulley needs another school building, and the best way to pay for one is to get a few producing oil wells on the campus. As we gaze into the crystal, we can see a large pool of flowing gold right under the town site, and the next thing we are interested in is—to get the fellow with the rigs and equipment to drill. No charges for information. Mr. and Mrs. John Wishert are in Dallas this week with their son Alfred Ray, who is undergoing treatment for an eye infection. We hope for Alfred a speedy recovery.

Miss Bill Milsap is visiting relatives in and near Dallas this week. Bill Pickron has returned from Abilene with a bad case of flu and isn't able to be up at this writing.

Serry to report that W. A. Hemphill's car is in the hospital. The reason: a Jersey bull failed to duck on the highway last Saturday night. Results were a caved in radiator, head lights torn off, fender smashed, but nobody hurt. The car was driven by Billie Pickron, accompanied by James Parker, so the story goes.

Joe Hunter and this reporter landed a job as timekeepers with the C. Q. M. at Camp Berkeley last Tuesday and will report for duty Wednesday. We will be back in the old home town every few days, so

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

FLAT TOP SOUTH SIDE NEWS

(By Nancy O'Neal)

Mr. and Mrs. Sigmond Stovall of Flat Top were week end guests of his parents, Mr. and Mrs. Fred Stovall, formerly of this community.

Once again the gravel pit crew is in full swing. Several hundred cars of gravel have been ordered to be delivered at Abilene. The hands have been selected by Mr. Jackson, of Vernon, who is manager of the corporation. Since there will be a day and night crew, this will give quite a few unemployed men a position.

Mrs. Jeff Cheshier of Flat Top was a guest of her sister, Mrs. Sam Doyle Thursday.

Mr. and Mrs. William Sedberry of Hamlin visited Mr. and Mrs. J. M. Sedberry of South Side Thursday afternoon.

J. W. Hines of Flat Top was in Abilene attending to business Friday afternoon.

Mr. and Mrs. Claud Thompson of South Side were guests of Mr. and Mrs. Jack Smith of Flat Top Thursday afternoon.

Quite a few folks of these communities are up and going again after being ill for some time with flu.

Mrs. Sigmond Stovall and Mrs. Johnny Hines of Flat Top were guests of Mrs. Troy Gabriel also of Flat Top Friday.

Mr. and Mrs. Thompson Young and daughter Yvonne of Boyd Chapel were visitors in the home of Mr. and Mrs. W. A. O'Neal of South Side Sunday.

Rev. Frank Pope of Anson visited, friends at South Side and Flat Top Sunday.

Mr. and Mrs. Eddie Boren of South Side were guests of his parents, Mr. and Mrs. E. C. Sanders of Hamlin Sunday.

Ruby Boren of South Side spent Sunday night with Mr. and Mrs. Boren of Hamlin.

Announcement has been made that Rev. Frank Pope of Anson will conduct church services at the Flat Top Baptist church on Sunday, Feb. 2 at the usual church hours. Every one is cordially invited to attend.

Mr. and Mrs. John O'Neal and children Lydia and Bobby of Hamlin spent Tuesday night with relatives at South Side.

Mrs. T. T. Brady Sr. and son Henry of South Side were visitors at Aspermont Tuesday.

Mr. and Mrs. Roy Bruner of South Side visited Mr. and Mrs. James Bowman of Flat Top Tuesday.

Mrs. James Bowman of Flat Top has been on the sick list for several days.

Nancy O'Neal of South Side spent Tuesday with Doris Proctor in Hamlin.

Mrs. Jack Smith and children, Patsy June and Mikey of Flat Top, visited friends at Hamlin on Sunday.

BOYD CHAPEL CHIRPS

(By Mrs. Albert Haught)

Rev. Cecil Ottinger filled his place in the Methodist pulpit Sunday, morning and evening.

Mr. and Mrs. Wortham Crow spent the week end with her parents, Mr. and Mrs. Gibson of Snyder.

Miss Virginia Cozzen spent the week end with Mr. and Mrs. E. J. Garvin of Stamford.

Mr. and Mrs. H. C. Hodges visited his parents, Mr. and Mrs. Hodges of Merkel Friday night.

Mr. and Mrs. Luther Haught spent Sunday with their daughter, Mrs. Clarence Hill and family at Hitson.

Mr. and Mrs. Thompson Young and Yvonne spent Sunday with Mr. and Mrs. W. A. O'Neal at Flat Top.

Miss Frances Coffman visited her sister in Abilene over the week end.

Rev. and Mrs. Cecil Ottinger visited in several homes in our community Friday of last week.

Mrs. Henry Burkett, of Post, who has been in the home of her parents, Mr. and Mrs. O. C. Estes, returned home last week. Mrs. Estes accompanied her for a short stay.

Those who spent Sunday in the V. R. Kelley home were Mr. and Mrs. Joe Allen, Lucille and Juavana Crowder, Mr. and Mrs. Albert Haught and Junior Haught.

Mr. and Mrs. M. L. Haught entertained a few of their friends in their home Monday night. After an evening of games of "42", tamales and coffee were served to Mr. and Mrs. Thompson Young, Mr. and Mrs. Earl Brown, Mr. and Mrs. Charley Bingham, and the host and hostess, Mr. and Mrs. M. L. Haught.

"Build-Up" Good News For Suffering Women

Much of women's periodic distress may be unnecessary!

Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of functional dysmenorrhea due to malnutrition are helped by CARDUI.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. Thus it often aids digestion; helps build strength, energy, resistance to periodic disturbances.

Others find help for periodic discomfort this way: Start a few days before and take CARDUI until "the time" has passed. Women have used CARDUI more than 50 years.

WISE CHAPEL NEWS

By Catherine Drake

Here we come again after several weeks of absence.

All the farmers are very busy plowing their land.

Mr. and Mrs. Joe Fudge of Neinda, Mr. and Mrs. D. D. Crow of Hamlin and Mr. and Mrs. Robert Cross and Miss Cross of Anson, visited Mr. and Mrs. Lem Revell Sunday.

Mr. and Mrs. T. W. Flenniken and son spent the week end with Mr. and Mrs. Elmore Flenniken in Abilene.

Mrs. Vida Smith and daughter Viola of Aspermont spent the week end with Connie Drake and sisters.

Still some on the sick list. We are glad to report that Mrs. J. J. Herbst,

Mrs. W. D. Patterson and Mrs. Tom Neil are all up again.

Mrs. Dave Herbst went to Abilene Saturday for medical advice about her throat.

Mr. and Mrs. Ben Bingham of Union and Mrs. Bingham and son Loys of Neinda visited Mr. and Mrs. Tom Neil and family Sunday.

Mr. and Mrs. Junior Patterson moved Tuesday to Flat Top where they will live.

Mrs. Vida Smith and daughter of Aspermont and Connie Drake and sisters went to Abilene Saturday of last week to see Miss Virginia Smith, who is a nurse in the Hendricks Memorial Hospital.

Mr. and Mrs. J. R. Bonds of Hamlin and Mr. and Mrs. Joe Bonds were in Abilene Sunday afternoon, sightseeing.
